Section 1. Authority. This regulation is promulgated by authority of W.S. §23-1-302 and §23-2-105(d).

Section 2. Hunting Regulations.

(a) Federal Regulations. 16 USC 703-711 and 718a; 50 CFR 10, 50 CFR 20 revised as of October 1, 2013, which do not include any later amendments or editions of the incorporated matter, governing the hunting, taking and possession of migratory birds and migratory game birds, the requirement for a valid migratory bird hunting and conservation stamp and the requirement for state participation in the National Harvest Information Program are adopted as regulations of the Wyoming Game and Fish Commission. Violations of these federal statutes and regulations shall be violations of the Commission regulations. A copy of Title 50 of the Code of Federal Regulations can be viewed at Department Regional Offices.

(i) Automatic loading, pump, or repeating shotguns shall be plugged to admit no more than one (1) shell in the chamber and two (2) shells in the magazine.

(ii) Federal Migratory Bird Hunting and Conservation Stamp. A federal duck stamp is required for persons sixteen (16) years of age and older to hunt ducks, geese and mergansers, but a federal duck stamp is not required to hunt coots, sandhill cranes, crows, mourning doves, rail or snipe.

(iii) National Migratory Bird Harvest Information Program. Each licensed hunter who hunts migratory game birds shall complete a current Wyoming validation for the National Harvest Information Program (HIP) and shall obtain a Wyoming HIP permit. This requirement also applies to holders of pioneer and lifetime hunting licenses. Each licensed hunter engaged in the act of hunting doves, ducks, geese, mergansers, coots, rails, cranes or snipe shall be in possession of a Wyoming HIP permit. Each person obtaining a HIP permit for the purpose set forth in this section shall validate the permit by signing the person's name in ink across the face of the permit. HIP permits expire on June 30 each year. HIP permits are not transferrable to other states. A separate validation is required from each state in which you hunt. Wyoming HIP permits shall be available only on the Department's website at <http://wgfd.wyo.gov>.

(b) Evidence of Species. One fully-feathered wing or the feathered head shall remain naturally attached to the carcass as a means of identification of migratory game birds, except mourning doves, in the field and while the birds are being transported.

(c) Nontoxic Shot Restrictions.

(i) No person shall hunt cranes, ducks, geese, mergansers or coots while possessing shot shells loaded with shot other than nontoxic shot. Nontoxic shot shall also be required when hunting any game with a shotgun on all of the lands in the Springer and Table Mountain Wildlife Habitat Management Areas and on all national wildlife refuges open for hunting.

(d) Limited Quota Sandhill Crane Permits. Persons may apply for limited quota sandhill crane permits on the Department's website at <http://wgfd.wyo.gov> between 8:00 a.m. July 1 and 12:00 midnight July 31, 2014. Party applications shall be accepted. Maximum party size shall be two (2). Party applications shall specify the same hunt area preference.
